william james' theory of religion - naturesrights - william james' theory of religion (note: this short essay sets up a sort of liet-motif that carries through all the books. it is about subjectivism and anti-science)

encyclopedia of religion and nature - and beliefs in the sacred have resulted in environmental degradation. in kumaun, as in other parts of india, environmental degradation due to association with religion is primarily **nature's healing power through food - farokh master** - nature's healing power through food acknowledgement writing a book like this would have been impossible without the help of teamwork. let me start by expressing my gratitude for the work done by dr. meherzin **dojopress 2000 - ashida kim** - basic ninjitsu the origins of ninjitsu are shrouded in the mists of time. it was greatly influenced by chinese spying techniques, many of which are found in sun-tse's classic, the art of war.
