
Hanns Eisler Müsst Himmel Höllenangst Werden

hans eisler and the fbi - university of michigan - 8 for a thorough discussion of eisler's political views, see georg knepler, "hanns eisler and 'interventive thought,'" trans., j. bradford robinson, *journal of musicological research* 17 (1998): 239-60. **aufspielen statt abschieben - music for free movement** - kriegsfibel (hanns eisler/ bert brecht): *seht unsre söhne, taub und blutbefleckt vom eingefrorenen tank hier losgeschnallt! ach, selbst der wolf braucht, der die zähne bleckt, ein schlupfloch!* **lyrik nach dem expressionismus - isni** - doch zum himmel schreit, daß es kästner nicht um die "nächtlichen gedanken einer proletarierfrau" zu tun ist, wie benjamin insinuiert, sondern um die die seele beruhigende verarbeitung seiner eigenen, höchst problematischen mutterbindung. **der deserteur (boris vian/ dt. text: gerd semmer)** - ihr sogenannten herrn, müsst ihr denn blut vergießen, so laßt das eure fließen, ihr predigt das so gern. sagt eurer polizei, sie würde mich schon schaffen,
